

# BRAMPTON COURTHOUSE CONSTRUCTION UPDATE

No smoking at all entrance doors – February 23, 2017

It has been reported that individuals have been seen smoking along the walkway leading to the main entrance and at the exterior main entrance doors of the Brampton Courthouse.

A number of complaints have been received by the Region of Peel Health Department where a large number of people have been observed smoking along the walkway and close to the main entrance where staff and the members of the public enter the building.

Please be reminded that smoking is not permitted a minimum of 9 metres away from all entrances and exits of the courthouse.
