Ninja Gymnastics				8:30-10:00 (14+)			3:00-4:30 (10+)

Parent & Tots (16 months-35 months)

This program allows the parent to work with the tot in a "FUN" oriented class. The tot will experience all aspects of early motor development with the use of the specialized developmental gymnastics equipment.

Kindergym (3-4 years)

Our program is designed to improve your child's basic motor development by incorporating dominant gymnastic movements with fun physical activity.

Junior Girls Recreation (5-7 years)

This program allows girls to work at improving motor development while being assessed through the beginner levels of the CAN-GYM program.

Junior Elite Girls Invitational (5-7 years)

This program is an "invite only" twice/week class registering on a yearly basis ONLY. The elite program allows for greater progress and faster gymnastics skill development.

Senior Girls Recreation (8+ years)

Our *fun, fitness, & fundamentals* program for girls enables them to start at a beginner level & progress through to a higher level on all Olympic apparatus, including trampoline. The CAN-GYM testing will be used to evaluate each gymnast.

Senior Girls & Boys Advanced Recreation (8 yrs/Level 7 & higher)

This program is designed for those girls & boys who have progressed through to the level 7 and allows the learning of skill combinations and routines.

Junior & Senior Boys Recreation (5-7 & 8+ years)

This is an ALL boys program with an emphasis on CAN-GYM program developmental skills in boy's gymnastics on all of the boy's apparatus. This is an excellent program for boys to cross train for all other sports.

Trampoline & Tumbling (8 years & up)

This is an exciting program for children who want to experience both tumbling & the trampoline. Gymnasts learn the basics in tumbling, along with skills & rules of the trampoline. **Prerequisite: One session of junior or senior recreation program.**

Senior Elite Girls Invitational (8+ years)

This NEW program is an "invite only" twice/week class registering on a yearly basis **ONLY** (Sept.-June). These gymnasts will be encouraged to compete at 2-3 invitational competitions. A handbook will be distributed upon joining.

Special Needs (under 12 yrs. and 12+ yrs.)

Our special needs program, under the guidance of Melynda Outram, provides these individuals a chance to be physically involved in gymnastics. Gross motor skills and body awareness will be challenged. In addition, time on our trampolines will work their balance and coordination.

Ninja Gymnastics (10+ & 14+ years)

This **NEW** program will teach these teens the basics of parkour gymnastics in a safe environment. Program includes: obstacle courses, jumping over objects, trampoline training, and aerial awareness training.

****There will be makeup classes scheduled for Family Day and Dec. 7-9 classes. See back panel for dates.**
