3 MARCH 2020

Residents invited to Councillor Q&A sessions

Central Coast Council will be holding a series of Councillor Q&A sessions in March for residents to speak directly with Councillors in an open forum.

The Town Hall style public meetings allow the community to raise issues, seek guidance and gain updates.

Residents who have a question or would like to learn more about what's going on in their area are encouraged to attend.

Residents can also submit any questions they have for Councillors prior to each session by sending an email to MeetingSupport@centralcoast.nsw.gov.au along with the meeting details to ensure it's answered on the night.

Two Councillor Q&A sessions will be held in the following wards:

- Gosford West Ward - Gosford Council Chambers, Tuesday 17 March, 6-9pm
- Gosford East Ward - Erina Centre at Erina Fair, Wednesday 18 March, 6-9pm
