Dear Families

Due to the outbreak of COVID-19 in the northern suburbs we are putting COVID Plans into place. We need to keep the whole community safe.

If your child is unwell at home, please NOT NOT send them to school. The family needs to have a COVID test.

All parents will need to drop their children at the gate - Carey Street or Church Car Park. No parent is to enter the school site.

Parents wishing to pay accounts are asked to phone the office on 8182 7900 and execute a phone payment.

Canteen – no over the counter sales.

Uniforms – need to be ordered and paid for over the phone.

If the school is asked to close by SA Health you will receive a text message.

There will be no OSHC if the school is closed by SA Health.

Teachers will provide some at home work via Class Dojo or Seesaw if the lockdown is prolonged.

Please be assured that the school is being cleaned three times per day and classrooms cleaned and sanitised throughout the day.

Children are reminded to wash hands and to physically distance.

St Augustine's is doing everything possible to ensure the safety and health of our community. Our prayers are for those schools and workplaces that have been affected by COVID. We pray in earnest that all those who test positive regain their health and wellbeing.

Blessings and peace
