

FlexiPunch-M

Heavy-Duty Manual Modular Punch with Interchangeable Die Feature
[NEW PRODUCT!]

FlexiPunch-M is a versatile modular punching machine with an affordable price that gives you the binding options you need in everyday work. You can do a coil binding job, and minutes later squeeze in a wire or comb binding project using the same primary punch. Interchangeable Die Sets with Quick Die Change Design: Easily change from one punch pattern to another within seconds, no tools needed! The high-quality precision die sets available with this machine will last for years of production. One die of your choice is provided with the unit.
