

Heavy Duty Parts Clerk

We are currently seeking Heavy Duty Parts Clerk to assist in the maintenance shop.

Our fleet of vehicles give us great pride and we've added state-of-the-art tilt and load trucks, dump trucks, and water trucks to our fleet which we ensure receive ongoing preventative maintenance.

Responsibilities:

- Coordinating and ensuring A&G's equipment parts and supplies are managed, maintained and controlled
- Managing and monitoring inventory
- Picks up parts and supplies from vendor, when necessary
- Maintain shop in an orderly fashion and cleaning areas as needed
- Performs other tasks related to the position, as assigned

Qualifications:

- Knowledge of vehicle parts and supplies
- Ability to operate a computer
- Ability to be physically fit
- Must be able to work individually as well as in a team.
- Previous experience is an asset but not a requirement.

We offer the following:

Competitive wages
Attractive benefit package
Performance perks
Plenty of hours available with overtime
Uniform provided
