

# Financial Information

Cardijn College has an inclusive fee structure for students attending both Cardijn College Campus and Marcellin Technical Campus. Fee income is essential to providing the best education for your children and the operation of the College. The billing system for 2019 will be as follows.

The entire year's fee will be billed in February 2019. Payment in full is required by 31 December 2019 using one of the following two payment methods:

- 1) Pay in full by 29 March 2019 to receive 5% discount on the tuition portion of the fees.
- 2) Direct debt.

For all families who do not elect to pay in full by 29 March 2019 a Direct Debit form will need to be completed. Direct debit payments can be made weekly, fortnightly or monthly. All direct debits will be administered through PaySmart and a direct debit form is enclosed for you to complete and return to the College. The College fee structure comprises:

- Tuition Fee
- Composite Fee (covers all compulsory fees not covered in the Tuition Fee)

This fee includes a 24 hour basic insurance cover for each student and will cover the students whilst on Work Experience. The fees for 2019 are listed below:
