Research to impact: Using implementation science to inform your knowledge translation plan

Presented by **Associate Professor Sonya Osborne**

Sonya is an internationally recognised expert in implementation science within the contexts of nursing, hospital & health services, and integrated care. She also leads an extensive program of research in comparative effectiveness of interventions across acute care, surgical and perioperative nursing and patient safety.

Join us as Sonya explores the role and value of implementation science, and how you can use it in your paediatric research and clinical practice.

When: Tuesday 10th September, 10am-12pm

Where: Either University of Southern Queensland, room; I116B so in I block on level 1.

Or Teleconference: Join Zoom Meeting

Congratulations

Extremely exciting news:

- **Dr Natalie Bradford** was just awarded a highly competitive NHMRC Investigator Grant (Emerging Leadership) for her work "Improving the continuum of cancer care in young people"

Award winners:

- The AVATAR team won the 2019 Vice Chancellor's Research Team Award. Team members: **Professor Claire Rickard, Professor Marie Cooke, Associate Professor Amanda Ullman, Ms Tricia Kleidon, and Ms Jessica Schults**, Menzies Health Institute Queensland.
- The Nursing and Midwifery Research Centre Vascular Access (NMVA) Research Team won the Health Services and Implementation Research Award at Metro North's 2019 Research Excellence Awards. The team members: **Professor Claire Rickard, Deanne August** and the team. A huge congratulations to the NMVA Team as they were the *ONLY* Nursing Group to win an award, out of 28 recipients.
- **Dr Elisabeth Coyne** was awarded Best Research Paper at the recent Cancer Nurses Society of Australia (CNSA) Annual Congress for her recently published [Paper](#), Coyne, E., Northfield, S., Ash, K., & Brown-West, L. (2019). *Current evidence of education and safety requirements for the nursing administration of chemotherapy: An integrative review*. European Journal of Oncology Nursing.
- **Associate Professor Amanda Ullman** won the award as the Emerging Nurse Researcher for the Oceania region at the *Sigma Theta Tau International Honor Society of Nursing (STTI) Research Congress* in July 2019 in Calgary, Canada (see photo below).
- Congratulations to **Professor Jeanine Young**, who has a special interest in breastfeeding and parent-infant bed-sharing, was named as one of just four finalists in the College's inaugural Health Minister's Trailblazer Awards. For more information, please watch the YouTube Video: <https://www.youtube.com/watch?v=rb2NcLQkUgo> or read the newspaper Sunshine Coast Daily, page 12. 24th April, 2019. [Item 1112089604]

Grant winners:

- Congratulations to **Associate Professor Amanda Ullman** and her team who were awarded \$99,502 for the project *Measuring Quality of Life and Experience for Central Venous Access Devices in Cancer Care: Developing and preliminary testing for My VAD*.
- **Associate Professor Amanda Ullman** and her team were awarded the RBWH Foundation 2019 Diamond Care Grants \$38,775 for the project *Consumer-led innovation to implement improvements in central venous access device management: the Vascular Access Passport*.
- Congratulations to **Dr Victoria Kain** and **Dr Elizabeth Forster**, who are to receive a \$10,000 grant from Johnson and Johnson to develop an evidence-based resource about evidence based neonatal skin care based upon the AWHONN Neonatal Skin Care EBG 4th Edition.
- Congratulations to **Ms Amanda Harley** Successful in securing an EMF grant for \$40,000. Title: Can the assessment of parental concern improve sepsis recognition in children.
- Great news from **Professor Claire Rickard**, **Ms Jessica Schults**, **Associate Professor Amanda Ullman**, **Ms Tricia Kleidon** and **Professor Marie Cooke** for secure the Capacity Grant \$50k offered by Griffith University, Menzies Health Institute Queensland. Project title: IV Care: A vascular access clinical registry.
- Congratulations to **Mrs Hui (Grace) Xu** for secure a \$15,300 grant offered by the Emergency Medicine Foundation. Title: uSing a Meditation App to Reduce ED occupational sTress - SMART trial.

- **Kelly Foster and team:** Effectiveness of a hydrogel dressing as an analgesic adjunct to first aid for the treatment of acute paediatric thermal burn injuries: study protocol for a randomised controlled trial <https://trialsjournal.biomedcentral.com/articles/10.1186/s13063-018-3057-x>
- **Kelly Foster and team:** A Queensland research support network in emergency healthcare: collaborating to build the research capacity of more clinicians in more locations. <https://www.emeraldinsight.com/doi/abs/10.1108/JHOM-02-2018-0068>

Conference presentations:

- **YOUNG J, KEARNEY L, RUTHERFORD C, GEORGE K, HOEY J.** (2019) The ESCCaPE Trial. Enabling Safe and Close Care in Postnatal Environments: A pilot. 22nd ACM National Conference: Power, Passion and Politics, National Convention Centre, Canberra. 17-19th September, 2019.
- **COLE R, YOUNG J, THOMPSON JMD, KEARNEY L.** (2019) My Baby..Parent's awareness and attitudes of current national safe sleeping guidelines: a statewide cross-sectional study. . 22nd ACM National Conference: Power, Passion and Politics, National Convention Centre, Canberra. 17-19th September, 2019. (Oral presentation).

- **Xu, H.**, Butterfield, M., Churchill, T., Hughes, V. A case study of how we implemented staff wellness initiatives in an Australian public hospital emergency department. Workplace Mental Health Symposium, Brisbane, 2-3rd September 2019. (Oral presentation).
- **Harley, A.** Recognition and management of paediatric sepsis in the Emergency Department: A statewide approach, nurses' can make a difference. Australian college of Nurse practitioners conference, Melbourne, September 2019.
- **Ms Kelly Foster** presented at the 4th Australian Nursing and Midwifery conference in May on 'How Do We Create a Culture of Research in the Clinical Setting?'

Invited speakers:

- **Ms Amanda Harley** presented at Grand Rounds at the Children's Hospital of Philadelphia (CHOP) on her recent travel abroad and spent a day with their sepsis team learning about their pediatric sepsis pathway implementation, progress and evaluation. They were excited and impressed by the progress made in QLD thus far and look forward to ongoing collaboration.
- **Ms Amanda Harley** was Invited to attend the Australian Sepsis Network meeting in Sydney last week to discuss the National Action Plan for Sepsis deciding on the key priorities and next steps forward for the nation.'

Grant Opportunities

Children's Hospital Foundation - 2019 Paediatric Immunotherapy Research Grant Round

The Children's Hospital Foundation is pleased to announce that the Paediatric Immunotherapy Research Grant Round is now open. This Grant Round will close at 5pm on **Monday 2nd September 2019**.

For further information, please see the link: <https://childrens.smartygrants.com.au/>

Seminars and Workshops

Public Seminar - Transforming Patient Care: three pioneering nurse researchers

Come along to learn more about how nursing research has transformed patient care worldwide.

Open to Healthcare professionals, families and community members.

Monday 21st October 12:00 – 1:30 pm

For more information, please see the link:

https://three_pioneering_nurse_researchers.eventbrite.com.au/

AusCP-CTN Education Program - Grant Writing Workshop 2019

The 2-day interactive workshop which aims to provide guidance in grant/fellowship writing, grantsmanship, clinical trial design, biostatistics, budgeting, bibliometrics and career development through mentorship, lectures and group discussions. This intensive workshop will involve lectures from topic experts (clinical trials design, biostatics), panel discussions, and attendees will be assigned with an experienced primary and secondary mentor and will receive individual feedback on their application.

Thursday 10 - Friday 11 October

For more questions about the event, please to go [AusCP-CTN Grant Writing Workshop](#) website, or email auscpnetwork@uq.edu.au.

AusCP-CTN Education Program- Systematic Review 2019 1-Day GRADE Analysis Workshop

GRADE (Grading of Recommendations, Assessment, Development and Evaluations) is a transparent framework for developing and presenting summaries of evidence and provides a systematic approach for making clinical practice recommendations.

9am - 4.30pm, 1 August

For more questions please to go [AusCP-CTN Systematic Review 2019](#) website, or email auscpnetwork@uq.edu.au.

Psychology Seminar Series – The BraveOnline Program

Professor Sue Spence from Griffith University will present a seminar entitled ‘The BraveOnline Program’ about an internet-based CBT intervention for child and teen anxiety. Everyone is welcome. No RSVP. Refreshments in the Psychology courtyard will follow the seminar. For more information on the series, click [here](#).

Seminar Date and Location: Friday 23 August from 3:00pm to 4:00pm in Rooms #201 – 204, Level 2, McElwain Building (#24A), St. Lucia Campus

Newborn Course via Futurelearn

This course was designed to build the participant's confidence and knowledge in assessing the newborn baby. This MOOC demonstrates how to prepare for and conduct this important examination.

The course is due to run for a third time before the end of 2019. It is free of charge and participants can upgrade to receive a certificate for a small fee.

For more information, please see the link: <https://www.futurelearn.com>

Health Statistics Refresher

This short course is a one-day statistics refresher for people who have had some practical experience with statistics or some undergraduate statistics training. We will discuss simple study designs and some common mistakes, with practical exercises throughout the day.

For more information, please see the link: <https://qutex.eventsair.com/aushsi-program/health-statistics-refresher/Site/Register>

Conferences

ICEN 2019 Conference

The conference committee extend a warm welcome to emergency nurses, all health professionals with an interest in emergency healthcare delivery and healthcare students to attend this 17th International Conference for Emergency Nurses (ICEN) for the College of Emergency Nursing Australasia (CENA) to be held from 16th – 18th October 2019 at the Hilton Adelaide Hotel, Hilton Adelaide, South Australia. For more information, please click the link: <http://www.icen.com.au/>

Aboriginal and Torres Strat Islander Research Forum – UQ Research Week Event

The inaugural Aboriginal and Torres Strait Islander Research Forum is being held during UQ Research Week and will engage with Aboriginal and Torres Strait Islander communities and organisations about key research questions and opportunities to collaborate and partner with UQ for impact. More information to follow. Please browse the UQ Event [entry](#) for details and to add the event to your Outlook calendar.

Forum Date & Location: Wednesday 18 September from 12:30pm to 2:30pm in the River Room, Customs House, 399 Queen St., Brisbane CBD

Other Opportunities

Recruitment for Survey

Dr Jeanne Marshall is trying to capture what type of research education opportunities staff/ students are seeking and in what format these would be most successful, please complete the 2 minute survey via the link, <https://www.surveymonkey.com/r/C8W7FQM>
