To Whom It May Concern:

I am writing you in my capacity as Member of Parliament for Whitby in support of the community based-funding application for Whitby Village Seniors Program (WVSP).

The WVSP is seeking funding from the Ministry of Seniors and Accessibility to initiate health and wellness programs. This funding will enable WVSP to improve quality of life for seniors through the facilitation of various mental, physical, intellectual & social programs and help increase their capacity to serve more seniors living in Whitby.

WSVP serves an important role in the Town of Whitby and supports the overall well-being of senior residents. I am confident that WSVP's health and wellness programs will provide tremendous value for seniors living in Whitby.

Please do not hesitate to contact my office if you have any questions.

Sincerely,

Celina Caesar-Chavannes, M.P. for Whitby
