Dear Minister Cho:

It gives me great pleasure to offer this letter of support to accompany the grant application from the Whitby Village Seniors Program (WVSP). I have attended events hosted by the WVSP at the residences at 310 Mary Street, Whitby. This group has been actively and successfully promoting programs, events and facility improvements in this building to enhance the quality of life for the seniors in this building.

The proposed Seniors Health Outreach Project plans to provide the residents in the building with supports to improve their health, both physical and mental, connections to medical care, a mitigation for hospital visits and a focus on positive lifestyle and self-care for the participants. This seems to align well with government objectives including the Aging with Confidence strategy and I believe this would have beneficial results.

I thank you for your consideration of their application and, on my part wish them the best of success. If any additional information or further confirmation of our support is required, please feel free to contact me at 905-430-4300 ext. 2203 or mayor@whitby.ca.

Sincerely,

Don Mitchell, Mayor
