

HIGHER EDUCATION (DEGREES)

ACADEMIC CALENDAR 2019 (Standard)

Degree courses operate on a standard **HE Semester** model (trimesters are no longer used).

*(The Music degrees operate on a slightly **different** schedule to that below due to the inclusion of an extra music activities/collaboration week, and the Early Childhood degrees operate on a separate block schedule. Refer to separate course specific schedules for those degrees).*

Standard Semesters (HE)

From	To	Activity	No of weeks	Public Holidays
------	----	----------	-------------	-----------------
