LITERACY & NUMERACY SUPPORT PROGRAM

The Literacy and Numeracy Support (LN Support) program provides eligible students with help to complete their course by focusing on workplace reading, writing, numeracy (maths) and communication skills.

The LN Support program is flexible, and provides support in classrooms and/or in group tutorials and with online activities. Students are enrolled in LN Support program units based on their Core Skills Diagnostic Test. When students have successfully completed these units, they receive a Box Hill Institute Statement of Attainment.

The LN Support Program is a nationally accredited course and students use their second government subsidised place for that year. This training is provided to eligible individuals with funds made available by the Commonwealth and Victorian Governments.
