

HOT OFF THE PRESS!

The Department for Education has now launched a website to help to families continue children's learning at home please information below. The address is:

<https://www.education.sa.gov.au/our-learning-sa>

Please take a look and get your children back to their learning.

Warm regards

Georgina

New website for continued learning

The Department for Education's new online curriculum portal [Our Learning SA](#) is now live.

This site is an online collection of education materials and has been developed by department curriculum managers and expert teachers.

The site provides learning materials and activities across all learning areas in the Early Years Framework and the Australian Curriculum. There are materials that are appropriate for families as well as resources that are more targeted towards teachers.

The new easy-to-use website supports:

- continued learning between school and home
- students with opportunities to work independently
- parents and caregivers with resources and guidance to support learning at home
- teachers with resources to support them teaching the curriculum.

This space has been created with urgency to support school and preschool communities in this challenging time and will continue to be developed over the coming weeks and months.
