Dear Parent / Caregiver

Re: Senior School (Year 11 and 12) Learner Planning Day

Senior School Learner Planning Day has been scheduled for Monday 8 February 2010. All students are required to attend and participate on the day. The purpose of the day is to enable students to:

- develop positive relationships with each other and their teachers
- prepare for senior school study
- explore and investigate study and career pathways
- set goals for their final years of schooling.

Learner Planning Day is an integral part of students' education and it provides an excellent opportunity to obtain information and clarify thinking about study and career options. Information on a range of pathways including university, TAFE and apprenticeships will be available to students.

The Learner Planning Day will be held at Flinders University and students are required to meet outside the University Registry for roll call at 9.30 am. Students will be dismissed from the university grounds following the afternoon workshop session which will conclude at approximately 2.00 pm.

We have booked buses for 250 students. Buses will leave Conyngham Street bus stops (outside the school gates) at 8.45 am on Monday 8 February and convey students to Flinders University. We encourage students who are able to make their own way to Flinders University to do so. If students plan to use public transport then they need to check bus timetables to ensure the availability of transport (university holidays).

Normal school rules and expectations apply. In particular students are expected to be punctual and rolls will be checked at all sessions. Students need written parental permission to travel in another student's car or carry passengers in their car. Students will not have to wear school uniform, but are expected to dress appropriately for a professional environment in neat casual clothes. Lunch will be provided.

The cost of this activity is \$12.00. Please pay this with your school fees before school resumes. Students who are unable to do so need to pay the money to the Finance Office before 10.30 am on Friday 29 January 2010.

Students also need to return to their Home Group Teacher the signed consent form by Friday 29 January 2010.

Yours sincerely
