

**NEW DATE!!!**  
Friday September  
23<sup>rd</sup>  
Term 3, Week 9

# SPORTS DAY UPDATE

Due to the inclement weather on the 8<sup>th</sup> of September we have had to reschedule the date. Sports Day is now on FRIDAY SEPTEMBER 23<sup>rd</sup>.

Program details remain the same and can be downloaded from the 'What's On' Section of our Home Page <http://www.gillestps.sa.edu.au>

Students are encouraged to wear house colours on the day.

We're pleased to inform you that we have just launched a school app. The school will be using the app to send out the school newsletter, general updates, classroom updates, reminders, events and much, much more!

So keep up with all of our Sports Day updates and future school updates by **DOWNLOADING, INSTALLING & REGISTERING** for TIQBIZ from your app store or on windows devices from <https://web.tiqbiz.com>

We kindly ask that you **download tiqbiz** to one of these devices, **register a free account** then **find our school** and tick on the groups that apply to you (boxes). You'll receive all the information with a push notification – much like a text message directly to your device. Any last minute changes or reminders, we'll be able to reach you to keep you completely informed and up-to-date.

The app has some great features that will allow us to get information through easily and quickly, you'll be reminded about important upcoming calendar dates, and everything we post can be translated into over 100 languages!

We've programmed the app to show icons that link to all of the online tools we use, so anytime you need to access one of these tools, you can do it easily via the app by clicking the icon that you need.

You will also be able to submit student absence via the app now, authorised by your signature, electronically signed straight onto the screen with your finger!

We feel this fantastic community engagement tool is going hugely improve our flow of communication and resources to you, so we very much hope you enjoy using it.

Any questions please contact Gyllian Godfrey, Assistant Principal – Innovation and Learning.
