Dear Parents and Caregivers,

PUPIL FREE DAY, this Friday 22nd June

On Friday, staff will be using the day to re-arrange classrooms back to their intended locations. We are pleased that the air-conditioning project is complete and we were able to carpet all of the main building classrooms and paint the upstairs classrooms. Students will therefore be moving back into refreshed and healthy learning spaces.

If child care is an issue on Friday, the school’s OSHC service will be open. Please book ASAP to reserve a space for your child/ren.

Room Allocations

On Monday 25th June, you will find changes in the location of 8 classes.

- Downstairs in the Main Building you will find:
  Room 2 Ms Glouftsis, Room 3 Ms Kudra, Room 4 Ms Bewley and Room 5 Ms Pepper
- Upstairs in the Main Building you will find:
  Room 7 Mr Chigwiddon, Room 7A Mr Blunt, Room 8 Ms Amodeo/Mr Koulianos and Room 9 Mr Crampsas

These changes will restore a library space, allow us to create an Innovation Lab and for the LOTE program to have a dedicated classroom.

One Hour Early Dismissal - Last Day of Term

On the last day of every term, the school is dismissed one hour earlier at 2:05pm. As per our tradition all students gather outside for the count-down assembly, prior to dismissal. The last day of term is Friday the 6th July.

End of Semester Reports

At NPS, students receive two written reports each year. One report is distributed at the end of Semester 1 or at the end of Term 2, and the second at the end of Semester 2 or at the end of the year. Students will be bringing home their first report for this year, on the last Thursday of this term, 5th July.

As per a staff agreement, we have opted to change the student progress report to word equivalents as opposed A-E grades.

If you are concerned with any aspect of your child’s report, I would encourage you to make a time for a face to face meeting with your child’s teacher early in Term 3.

Canteen Committee

I would like to thank Luke Montgomery, Sue Farrell and Toni Ballard for their commitment to the school’s canteen committee. I also would like to apologise to Sue for publishing her name incorrectly on 2 previous occasions. A summary of the community survey re Subway and the next steps are published in this newsletter.

Thanks NPS Cooks

I can testify that there are some very creative and tasty cake makers in our community. This must have been why I visited the Cakes and Sweets Stall twice last Thursday! The students and staff alike loved the tasty treats. Sincere thanks to everyone who provided these treats.

Reminder
We seem to have a large amount of unclaimed uniform items in our lost property bin situated near the stairs in the main building. Parents are reminded to please label all clothing, lunchboxes, drink bottles etc clearly with first and second name so that we are able to return items to the students. Please take the time to check for any items that you are missing.

Thank you,
Front Office Staff

School Uniform
Last newsletter we mentioned the wearing of clothing to school that met our school's Uniform Policy, namely the colours of royal blue and white. This fortnight's newsletter puts the spotlight on the wearing of leggings or tights to school.

Our uniform policy states: **Royal blue, navy or white leggings/tights may be worn under an outer piece of school uniform clothing**. Whilst these colours may be difficult to source, we have been reliably informed that royal blue leggings are currently available at Best&Less stores.

Canteen Snack Sales
A reminder that the next canteen snack sales will occur on Wednesday 27th June during lunch play time. We will be selling Zooper Doopers 50c, packets of flavoured Messy Monkeys $1, and bags of popcorn for $1. If you can volunteer your time from 12:45 – 1:55pm on that day, please contact Toni Ballard at the school.

Congratulations
2018 Queen’s Birthday Honour List
Our school congratulates, Robert Brown, on the honour awarded to him in the 2018 Queen’s Birthday Honour List. Robert received an OAM (Order of Australia Medal) for his service to the performing arts, particularly through music. Robert is one of the state’s pre-eminent flautists and plays in numerous Adelaide orchestras. He has given 40 years’ service to roles within flute societies and the Adelaide Eisteddfod. He has been a private instructor of the recorder and flute at our school for many years and has provided musical opportunities to many young people. Well done, Robert.

“What’s Your Treasure?” Poster Competition
Nyah and Presha were honoured with a Certificate of Participation Award for their poster entries into the “What’s Your Treasure?” poster competition. Congratulations, Nyah and Presha.
Subway Lunch Provision Survey Results

The Governing Council Canteen Committee met on Friday 15th June to analyse the results of the survey undertaken by the school community in regards to the Semester One trial of school lunch provision by Subway. The committee wish to thank the community for taking the time to complete the survey. The results of the first 5 questions are presented below and right.

The last 3 questions asked for comments and the committee have carefully considered all responses. Like most surveys which have open ended questions, the responses to these questions are difficult to draw any ‘true’ conclusions from. On many occasions one respondent would be critical of an aspect of the service then another respondent would provide a positive comment. The committee would like to remind the community of the following points:

- A Department for Education canteen cannot operate at a loss.
- The provision of food by a department’s canteen must abide by the Right Bite Policy.
- The tender process for a canteen provider was undertaken in 2017. No tender was received by the Department’s Procurement Division. The Governing Council explored viable options in Term 4 2017 for school lunch provision in 2018. It was voted to trial Subway for Semester One and survey the community near the end of that trial.

Due to the feedback received the committee has proposed that it will, as was originally planned, undertake another canteen tender process through the Department’s Procurement Division. As the tendering process takes time to complete, the committee has decided to continue the school’s lunch provision with Subway on Mondays, Wednesdays and Fridays. The survey results certainly reflect that this service has been well received.

The committee thank the community for their feedback and will keep you informed of future developments.

OSHC News

Pupil Free Day
There is a NPS Pupil Free Day on Friday 22nd June.
Please let a staff member know if you require care on this day.

Vacation Care Program
The July Vacation Care Program will be emailed to NPS parents. If you require care for the holidays all outstanding fees must be paid before making any bookings.

OSHC Software
Due to our current software system not being able to transition alongside the new child care subsidy, we will be changing to Hubworks. This will occur over the next couple of weeks. We will keep you informed of any new processes that will be involved.

Yoga and Relaxation Sessions at NPS

Every Tuesday at Nailsworth I am having the most amazing time sharing Yoga and Relaxation techniques with children in Years 2, 3 and 4. The children are learning to move their bodies mindfully, becoming more connected to their breath and the present moment. They are learning relaxation and breathing techniques and positive language to remind themselves how unique, valued and AMAZING they each are.

These skills may hopefully transfer to their everyday experiences, as they interact with others at school, at home and in the community.

Following I would like to share with you just some of the comments children have offered to me, regarding how they felt after our sessions together. I feel very humbled and inspired to witness the positive responses shared by your beautiful children and to experience their growing awareness and abilities to relax, experience calmness and confidence, whilst feeling supported during the time we share.

Kindest regards,

Kerryn Kuchel, Yoga and Meditation Teacher

National Reconciliation Week

During National Reconciliation Week the Foundation classes increased their knowledge and understanding about Aboriginal and Torres Strait Islander cultures and histories. The students participated in various learning tasks such as craft activities, Indigenous games, listening to and retelling Dreamtime stories, drawing emu tracks in the sand and learning an Aboriginal lullaby from the Torres Strait Islands. Through this learning the children developed an appreciation of the significance of this oldest living culture and its importance to Indigenous people today.

Did you know that the Australian Aborigines were among our first inventors, artists, hunters, story tellers, farmers, fishermen and healers?

SAPSASA Soccer

Congratulations to Marco G, Ranveer B and Rajveer B, who have been selected to play for the North Adelaide Soccer SAPSASA Team. The carnival will be held in Week 9, Monday 25th June - Friday 29th June at West Beach, Barratt Reserve.

We wish all boys all the best. Well done!

Girls SAPSASA Soccer

What a fantastic comeback by the Nailsworth girls in their First Round Knockout Soccer game against St Dominics on Thursday 7th June. With fifteen minutes to go, trailing two nil, the girls responded by scoring two quick goals through Claire G and Alexis B, to level the match at two all and send the game into ten minutes of extra time.

In extra time both teams created chances but it was Helena T who took hers and scored two goals to win the game for Nailsworth, four goals to two. The team will now play against West Lakes Shore in the second round game in Week 9.

Goal scorers: Helena T (2), Claire G (1), Alexis B (1)

Great work by all the girls.
