DMK Skin Care Products
DMK believes that the origin of most skin conditions is a result of disharmony within the skin. Using the principles of biochemistry, DMK has formulated a range of treatments and products designed to educate skin to perform like youthful healthy skin. By matching formulations with the body’s chemistry, the skin is encouraged to respond in a positive manner. DMK’s revolutionary concept of REMOVE, REBUILD, PROTECT, MAINTAIN aims to match an individual’s biochemistry with the appropriate skin therapy. Botanical-based paramedical products make up the DMK skin care program.
