IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. EXCEPT in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is NO COOLING OFF PERIOD:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

6. **The purchaser will usually have to pay transfer duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.**
7. **If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).**

If so, this will affect the amount available to the vendor on completion.**
12. **Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.**

- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.
- 13 Goods and services tax (GST)**
- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
- 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
- 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.

- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –
- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, serve evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 serve evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.
- 14 Adjustments**
- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.

14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Date for completion

The *parties* must complete by the date for completion and, if they do not, a *party* can serve a notice to complete if that *party* is otherwise entitled to do so.

- 16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.
- 16.4 The legal title to the *property* does not pass before completion.
- 16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser.
- 16.6 If a *party* serves a land tax certificate showing a charge on any of the land, by completion the vendor must do all things and pay all money required so that the charge is no longer effective against the land.

- 16.10 On completion the deposit belongs to the vendor.
- ### • Place for completion
- 16.11 *Normally*, the *parties* must complete at the completion address, which is –
- 16.11.1 if a special completion address is stated in this contract - that address; or
- 16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or
- 16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.

- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –
- 18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and
- 18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.
- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
- 18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

33. Application for building certificate within fourteen (14) days.
- 33.1 In this clause, "work order" means the same as in clause 11.
 - 33.2 PROVIDED the purchaser applies for a building certificate from the local council within fourteen (14) days of the date of this contract:

33.2.2 the local council issues the building certificate upon conditions which are not acceptable to the purchaser; or

33.2.3 as a result of such application for a building certificate the local council issues a notice requiring work to be done to the property and the vendor is not willing to do the work and provided the vendor does not give the purchaser notice within seven (7) days of the issue of such notice that he is so willing to do the work,

33.3 This clause does not affect any other rights of the parties.

34 Clause 15 shall be deleted and the following clause shall be included in and form part of this contract:

a) Completion of this contract shall take place on the date specified on the front page of this contract or any other date agreed to in writing between the parties or their representatives, PROVIDED THAT at any time thereafter either party by not less than 14 days notice in writing to the other, may nominate a date and time for completion and time shall thereupon be deemed to be of the essence of this contract; and

b) If the purchaser does not complete this Contract by the completion date and, at that date the vendor is ready, willing and able to complete, and the vendor issues a Notice to Complete, then the sum of three hundred and eighty five dollars (\$385.00)(inclusive of GST) to cover legal costs and disbursements incurred by the vendor's solicitors in drafting and serving a Notice to Complete is to be allowed by the purchaser as an additional adjustment on completion and it is an essential term of this contract that such payment be so made in addition to any other remedy available to the Vendor.

35. The Purchaser may rescind this contract if the owner of the improvements on the land is not entitled, as at the date of this contract, to claim compensation from the Mine Subsidence Board in respect of any damage to the land and/or improvements arising from mine subsidence, and written communication from the Mine Subsidence Board to that effect shall be conclusive for the purposes of this clause.

36. The Purchaser purchases the subject property with full knowledge of the state and condition of repair of the improvements erected thereon and shall be deemed to have satisfied themselves as to the approved capable use and condition of the property sold and will not raise any objections, requisitions or claims for compensation in relation thereto. The purchaser will accept the subject property in the condition or state of repair in which it is at the date of settlement.

37. The purchaser hereby warrants that he was not introduced to the property by any real estate agent other than the vendor's agent, if any, referred to on Page 1 of the Contract. The purchaser covenants and agrees to be responsible for and to indemnify the vendor in relation to any commission payable by the vendor as a result of a breach of the above warranty. The purchaser further agrees to indemnify the vendor in relation to any costs incurred by the vendor as a result of such breach. The parties agree that the provisions of this special condition shall not merge on completion.

38. If the purchaser shall not complete this purchase by the completion date, without default by the vendor, the purchaser shall pay to the vendor on completion, in addition to the balance of the purchase money, an amount calculated as ten per cent (10%) per annum interest on the balance of the purchase money, computed at a daily rate from the day immediately after the completion date to the day on which this sale shall be completed. It is agreed that this amount is a genuine pre-estimate of the vendor's loss of interest for the purchase money and liability for rates and outgoings.

39. In the event that the purchaser herein pays an amount less than the deposit stated on the front page of this Contract then in such event, and if the purchaser commits a default hereunder, the whole of the stated deposit shall become due and payable notwithstanding that this Contract is not completed. In any event the balance of deposit shall be payable one minute prior to settlement.

This clause shall not merge on completion and the vendor shall be entitled to sue for recovery of so much of the stated deposit that remains outstanding as at the date due by the purchaser to the vendor.

(b) The delivery to the Vendor or to the Vendor's Solicitor of a Bond which binds the Guarantor to the Vendor shall, subject to (i) and (ii) of this sub-clause, be deemed for the purposes of this Agreement to be payment of the guaranteed amount at the time of such delivery on account of the deposit to the person or persons nominated in this Agreement to receive the deposit, and the following provisions shall apply:

(i) On completion of this Agreement, or at such other time as may be provided for the deposit to be accounted for to the Vendor, the Purchaser shall pay the amount stipulated in the Bond to the Vendor in cash or by unendorsed bank cheque and upon payment the Deposit Bond shall be deemed to be at an end; or

(ii) If the Vendor serves on the Purchaser a notice in writing to forfeit the deposit then such service shall operate as a demand upon the Purchaser for payment forthwith of the deposit (or so much thereof as had not been paid) and upon failure of the Purchaser to pay the same within two (2) clear business days of service of such notice the Vendor shall be entitled to demand payment from the Guarantor in accordance with the provisions of the Bond and the provisions of this Agreement in relation to the deposit (other than Clause 1) shall then apply as though this Agreement had just been made and required payment of the deposit within two (2) clear business days on demand on the Guarantor.

41. If the purchaser or vendor or any one or more of them shall:

(i) die;

(ii) become mentally incapacitated; or

(iii) assign his, her or their estate for the benefit of creditors or, being a company, go into liquidation;

prior to completion of this Contract then either party may by notice in writing to the other party's Solicitor or Licenced Conveyancer rescind this Contract whereupon the provisions of this contract as to the rescission shall apply.

42. **GUARANTEE WHERE PURCHASER IS A PROPRIETARY COMPANY**

42.1 If the Purchaser of the property is a company, the officers or persons who sign this Contract on behalf of the company, or who attest the seal of the company on this Contract:

- (a) Jointly and separately guarantee all obligations of the Purchaser under this Contract, including the payment of the purchase price;
- (b) Jointly and separately indemnify the Vendor in respect of any default of the Purchaser under this Contract;
- (c) The liability pursuant to this guarantee shall not be avoided, released or affected by the Vendor granting any extension of time, indulgence or waiver to the Purchaser;
- (d) The Vendor may grant releases to the Purchaser or the guarantors as it thinks fit without prejudice to or in any way limiting or lessening the liability of the guarantors;
- (e) The liability of the guarantors shall not be affected or discharged by any act, neglect or default of the Vendor whereby the liability of the guarantors would otherwise be affected or discharged;
- (f) Any payment made to the Vendor and later avoided by the application of any statutory provision shall be deemed not to discharge the guarantors liability and in any such event the guarantors and the Vendor shall be restored to the rights which each respectively would have had if such payment had not been made;
- (g) This guarantee is a continuing guarantee and shall not be discharged by the insolvency of the Purchaser or by the Purchaser avoiding or being held not to be liable under this Contract or due to any other matter, fact, thing or event whatsoever.

42.2 This guarantee and indemnity is given by each guarantor as principal and is not discharged or released by any release or variation of this agreement between the Vendor and Purchaser.
