DESCRIPTION	RATE	QTY	AMOUNT
<b>Remove all ridge caps, Chisel old cement and pointing away from ridge caps and tiles, Re lay ridge caps with new cement and apply weep/drain holes to bedding mix, Clean off roof of any rubbish from the process of work, Allow cement bedding to dry and repoint all ridge caps in flexible pointing and apply weep/drain holes to all ridges.</b> The ridge caps on the roof has had all the weep/drain holes block up which is why they need to come off and be re done. Weep/drain holes let the water out from the ridges and when blocked up they over flow the tile and leak into the roof	\$1,870.00	1	\$1,870.00
