IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. EXCEPT in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is NO COOLING OFF PERIOD:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group Australian Taxation Office Council County Council Department of Planning, Industry and Environment Department of Primary Industries Electricity and gas Land & Housing Corporation Local Land Services	NSW Department of Education NSW Fair Trading Owner of adjoining land Privacy Public Works Advisory Subsidence Advisory NSW Telecommunications Transport for NSW Water, sewerage or drainage authority
---	--

If you think that any of these matters affects the property, tell your solicitor.
2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay transfer duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.
- 13 Goods and services tax (GST)**
- 13.1 Terms used in this clause which are not defined elsewhere in this contract and have a defined meaning in the *GST Act* have the same meaning in this clause.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
- 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
- 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows:
- if *within 3 months* of completion the purchaser serves a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not serve that letter *within 3 months* of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, serves a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, serve evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been served, by the transferee named in the transfer served with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 serve evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

- 16.10 On completion the deposit belongs to the vendor.
- **Place for completion**
- 16.11 *Normally*, the *parties* must complete at the completion address, which is –
- 16.11.1 if a special completion address is stated in this contract – that address; or

- 18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
- 18.2 The purchaser must not before completion –
- 18.2.1 let or part with possession of any of the *property*;
- 18.2.2 make any change or structural alteration or addition to the *property*; or

- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –
- 18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and
- 18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.
- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
- 18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.
- 19 Rescission of contract**
- 19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right –

31. ENTIRE AGREEMENT

- 31.1 This agreement constitutes the entire contract between the parties and the parties hereby acknowledge that there are no agreements, provisions, terms, warranties, or conditions applicable to the transaction to which this agreement relates to save for those referred to herein.
 31.2 This agreement may only be varied or modified (by way of collateral contract or otherwise) in writing under the hands of the parties hereto or their solicitors.
 31.3 The Purchaser acknowledges that the provisions of this contract constitute the full and complete understanding between the parties and there is no other understanding, agreement, warranty, or representation whether express or implied in any way extending, in defining or otherwise relating to the provisions of this contract or binding on the parties hereto with respect to any matters to which this contract relates.
 31.4 The Vendors shall not be bound by any information or particulars contained in any advertisement or pamphlets or any plan issued or exhibited prior to or at the time of sale and the Purchaser acknowledges and agrees that they shall not by reason of any discrepancy or misdirection therein make any requisitions, claim or demand against the Vendor with regard to same.
 31.5 Without in any manner excluding, modifying or restricting the rights of the Purchaser pursuant to section 52(A)(2)(b) of the Conveyancing Act, 1919 and the Conveyancing (Sale of Land) Regulation 2000, the Vendor makes no warranty as to the completeness or accuracy of any of the documents or copy documents annexed in this Contract such that the Purchaser acknowledges that sufficient information is disclosed in this contract and the Vendor is under no obligation to provide any further information to the Purchaser.

32. CONDITION OF PROPERTY

- 32.1 The Purchaser accepts the property and its boundaries in its present condition and state of repair with all faults latent and patent subject to fair wear and tear as provided in clause 10.1.4 and the Purchaser shall not call upon the Vendors to carry out any repairs whatsoever in relation to the property and the improvements thereon and any inclusions.
- 32.2 In the event that there are any additions, alterations, pergola, carport or any other structures on the property which do not comply with the requirements of the local Council or any other competent authority, then the Purchaser shall not raise any objection, make any requisition or claim compensation in respect of such non-compliance or because of the failure of the Local Council to issue a Building Certificate by reason of such non-compliance. The Purchaser cannot make a claim or requisition or rescind or terminate in this regard.
- 32.3 Should the Purchaser apply for a Certificate under s149D of the Environmental Planning and Assessment Act 1979 and the Council to which such application is made lists defects or prescribes work to be carried out on the property and if the Purchaser shall then be entitled to and requisition the Vendor to comply with the notice, remedy the defects or do the work and if the Vendor shall be unable or unwilling to comply, then the Vendor shall be entitled to rescind the contract pursuant to standard condition 8.1. Provided however that the Vendor shall give prior notice of intention to rescind whereupon the Purchaser may elect to withdraw any such requisition and to proceed to settlement.

33. REAL ESTATE AGENTS

- 33.1 The Purchaser was not introduced to the property or the Vendor by any real estate agent or other person entitled to claim commission because of this sale (other than the Vendor's agent, if any, specified in this contract). The Purchaser will indemnify the Vendor against any claim for commission by any real estate agent or other person arising out of an introduction of the Purchaser and against all claims and expenses for the defence and determination of such a claim made against the Vendor. This right continues after completion.

34. LATE COMPLETION

- 34.1 Provided that the Vendor is ready, willing and able to give title to the Purchaser, if this contract is not completed for any reason (other than the Vendor's default) on or before the Completion date then in addition to any other right which the Vendor may have under this contract or otherwise the Purchaser will on completion of this contract pay to the Vendor interest on the balance of the purchase price at the rate of 12% per annum calculated on daily balances, commencing on the Completion date and continuing until completion of this contract. This interest is a genuine pre-estimate of liquidated damages and will be deemed to be part of the balance of purchase money due and payable on completion. The Vendor shall not be liable to the Purchaser for any claim for compensation for damage which may be suffered by the Purchaser if this contract is completed after the completion date.

35. NOTICE TO COMPLETE

- 35.1 Despite any rule of law or equity to the contrary, the Vendor and the Purchaser agree that any notice to complete under this contract will be reasonable as to time if a period of 14 days from the date of service of the notice is allowed for completion. In addition to the interest payable under clause 34.1, the Purchaser shall pay to the Vendor the sum of \$400.00 (plus GST) to cover legal costs and other expenses incurred because of the delay, as a genuine pre-estimate of those additional expenses to be allowed by the Purchaser as an additional adjustment on completion.

36. CAPACITY

- 36.1 Without in any way limiting, negating, or restricting any rights or remedies which would have been available to either party at law or in equity had this clause not been included, if either party (and if more than one person comprises that first party then any one of them) prior to completion:
- 36.1.1 dies or becomes mentally ill, then the other party may rescind this contract by written notice to the first party's solicitor and thereupon this contract will be at an end and the provisions of clause 19 apply; or
- 36.1.2 being a company, has a summons or application for its winding up presented or has a liquidator, receiver, or voluntary administrator of it appointed, or enters into any deed of company arrangement or scheme of arrangement with its creditors, then the first party will be in default under this contract.

37. FIRB APPROVAL

- 37.1 The Purchaser warrants to the Vendor that it either does not require or has obtained the consent of the Treasurer of the Commonwealth of Australia under the *Foreign Acquisitions and Takeovers Act 1975* (Cth) and any other consent or approval whatsoever that may be necessary to enable the Purchaser to validly enter into and be bound by the Contract. The Purchaser hereby indemnifies and must keep indemnified the Vendor against any penalties, fines, legal costs, claims, loss, or damage suffered as a result of or arising out of or in connection with a breach of the Purchaser of its warranty contained in this condition. If the Purchaser has not received (or is deemed to have received) the approval of the Treasurer of the Commonwealth of Australia within 28 days of the date of this contract, then either party may rescind this contract by serving a notice provided that the Purchaser may only exercise such right of rescission within 42 days of this contract. This condition will not merge on completion.

38. PURCHASER' FINANCE

- 38.1 The Purchaser expressly warrants to the Vendor that it either holds a current loan approval in an amount and upon terms which it considers to be reasonable and fully satisfactory and sufficient to enable the completion of this Contract or that it does not require finance to complete this agreement.

39. REDUCED DEPOSIT

- 39.1 The Purchaser acknowledges that the Vendor is normally entitled to require payment of a deposit equal to 10% of the price on the date of this contract. If the Purchaser has accepted a deposit less than 10% and the Purchaser defaults in the observance or performance of any of the Purchaser's obligations under this contract, the Purchaser must pay to the Vendor an amount equivalent to 10% of the price immediately upon demand by the Vendor. If the Purchaser fails to pay the amount demanded by the Vendor (whether additional or otherwise), the Vendor may recover the additional amount from the Purchaser as a debt. The parties expressly agree that the principles espoused in the case of *Luong Dinh Luu v Sovereign Developments Pty Ltd* [2006] NSWCA 40 are expressly excluded. Should the Vendor be required to pursue the difference between the 10% deposit and the actual amount paid, such a difference will be classed as a debt owed to the Vendor and not a penalty against the Purchaser for failing to complete and accordingly the Purchaser shall have no rights for relief from forfeiture. This clause shall not merge on completion.

40. RELEASE OF DEPOSIT

- 40.1 The Purchaser authorises the Vendor to use all or part of the deposit as a deposit on a purchase by the Vendor of a property or as duty on the Contract for the sale of land for that property. The Purchaser also authorises the stakeholder to release all or part of the deposit for those purposes and must give on request to the stakeholder a written authority to release all or part of the deposit.

41. PARTICULARS OF TITLE

- 41.1 The Purchaser agrees that sufficient particulars of the Vendor's title are disclosed in this contract. The Purchaser is not entitled to request further particulars of the Vendor's title.
- 41.2 The Purchaser will take title subject to existing water, sewerage and drainage, gas and electricity, telephone or other installations, services, and utilities. The Purchaser will make no requisition, objection or claim for compensation in respect of:

Draft Local Environmental Plan

The land is affected by a Draft Local Environmental Plan which has been placed on Public Exhibition and has not yet been published. The Draft Local Environmental Plan is described below.

Planning Proposal – Draft Parramatta Local Environmental Plan 2020 (Harmonisation LEP)

This land is affected by a planning proposal seeking to create a single consolidated Local Environmental Plan (LEP) that will apply to the whole City of Parramatta Local Government Area (LGA). The new LEP will replace five (5) existing LEPs where they apply to land within the Parramatta LGA. These include:

- *Auburn Local Environmental Plan 2010*
- *Holroyd Local Environmental Plan 2013*
- *Hornsby Local Environmental Plan 2013*
- *Parramatta Local Environmental Plan 2011*
- *Parramatta (former The Hills) Local Environmental Plan 2012*

The new Parramatta LEP will create a common set of objectives, land use tables and provisions for all land within the LGA. This will result in some changes to the current planning controls applying to certain areas, including:

- Changes to land uses permitted in certain areas, because of the creation of a common set of land use tables.
- Prohibiting dual occupancy developments in certain locations.
- A minimum lot size of 600sqm and frontage to a public road of 15 metres development standards for Dual Occupancies or Manor Houses where they are permitted;
- Changes to height and FSR controls applying to residential zones – these include:
 - applying a FSR of 0.5:1 to R2 Low Density Residential zoned land and a FSR of 0.6:1 to R3 Medium Density Residential zoned land in the Parramatta (former The Hills) LEP 2012 and Hornsby Council LEP 2013 (where none currently applies);
 - reducing the FSR from 0.75:1 to 0.6:1 applying to R3 Medium Density Residential zoned land in Silverwater;
 - increasing the height limit from 8.5 metres to 9 metres applying to R2 Low Density Residential zoned land in the Hornsby Council LEP 2013;
 - applying a 11 metre height limit to R3 Medium Density Residential zoned land in the Parramatta (former The Hills) LEP 2012, Hornsby LEP 2013 and Auburn LEP 2010;
 - applying a FSR control to R4 High Density Residential zoned land in the former Parramatta (former The Hills) LEP 2012, Hornsby LEP 2013 and Auburn LEP 2010 (where none is currently applied); and,
 - A limited number of targeted site-specific changes associated with changes of zoning or to address anomalies.
- Applying a 550sqm minimum subdivision lot size to residential land (except R2 Low Density Residential zoned land in the Parramatta (former The Hills) LEP 2012, which will retain the existing 700sqm requirement)
- Mapping of additional Biodiversity Land and Riparian Land and Waterways
- A limited number of changes to the zoning of some sites to address inconsistencies and anomalies across current land use plans, this includes:
 - Removing the R1 General Residential zone, and rezoning this land to R4 High Density Residential or R3 Medium Density Residential;
 - Rezoning all public bushland reserves to E2 Environmental Conservation;
 - Rezoning some R3 Medium Density Residential zoned land in Northmead, North Rocks and Carlingford to R2 Low Density Residential; and,
 - Rezoning existing lawful places of public worship in the former Parramatta Council area from SP1 Special Activities to R2 Low Density Residential.

Further information on the Planning Proposal for the new Parramatta Local Environmental Plan (LEP) can be found at: www.cityofparramatta.nsw.gov.au/planningharmonisation or by contacting Council

Please note. Council is separately progressing a number of planning proposals relating to specific sites in the LGA. The intention is that, should these site-specific planning proposals be finalised before the new consolidated LEP is made, the respective amendments to planning controls will be carried over into the new LEP and the Harmonisation Planning Proposal will be updated as needed.
