- (b) The purchaser warrants that the purchaser has relied upon the purchaser's own enquiries in relation to the property and the purchaser accepts the property in its present state and condition (subject to fair wear and tear) as to which the vendor makes no warranty whatsoever and the purchaser will not be entitled to make any objections, requisitions or claims for compensation, to delay completion or to rescind or terminate this Contract with regard to the state and condition of the property. date of this Contract, in respect of which the purchaser must rely on its own enquiries in all respects.

- (c) The purchaser acknowledges that the vendor has not and has not authorised the vendor's agent or any other person to make any representations or warranties in relation to:
- (i) the property or to the neighbourhood in which the property is situated;

39 Interest for late completion

- (a) Subject to Clause 39(b), the purchaser agrees that it is an essential term of this Contract that the purchaser will, on the actual date of completion, pay to the vendor interest at the rate of 9% per annum, such interest to be calculated on the balance of the price from the date provided in Clause 15 until the date that the purchaser actually completes this Contract.
- (b) The vendor agrees that no interest will be payable by the purchaser if the failure to complete on the date provided in Clause 15 is due solely to the delay of the vendor and the purchaser completes this Contract on the date which is no later

than 5 business days after the date on which the vendor serves notice to the purchaser that the vendor is in a position to complete this Contract (**Further Date**). If the purchaser does not complete this Contract on the Further Date, then the purchaser must pay interest to the vendor as referred to in Clause 39(a) calculated from the Further Date until the date that the purchaser actually completes this Contract.

- (c) The purchaser acknowledges and agrees that the obligation to pay interest pursuant to this Clause 39 is in addition to and does not in any way restrict or limit any other right of the vendor under this Contract or at general law.

This Clause shall not merge on completion.
- (b) The purchaser:
 - (i) agrees that any money which is payable by the purchaser to the vendor on completion, but is not paid on or before completion for any reason (**Unpaid Money**), is not waived by the vendor and remains a capitalised debt due to the vendor;
 - (ii) agrees that in addition to the Unpaid Money, the vendor is entitled to recover from the purchaser interest at the rate of 9% per annum, calculated from the date of completion until the Unpaid Money is paid in full, and any costs incurred by the vendor in recovering the Unpaid Money;
 - (iii) hereby charges the property in favour of the vendor with payment of any Unpaid Money, interest and costs and the purchaser irrevocably authorises the vendor to lodge a caveat over the property in respect of that charge; and
 - (iv) agrees that this clause does not merge on completion.

41 Foreign purchaser

The purchaser indemnifies the vendor in respect of any loss, damage, penalty, fine or legal costs which may be incurred by the vendor as a consequence of any breach by the purchaser of Clause 22.1 (including any loss by way of forfeiture of deposit, damages or otherwise suffered by the vendor through consequential default on the purchase of another property). This Clause shall not merge on completion.

42 Removal of notations on title

- (a) Notwithstanding any other provision of this Contract, the vendor is not required to arrange for the removal of any mortgage, charge or caveat registered on the title to the property prior to completion of this Contract. The vendor will not be (and should not be deemed to be) unable or unwilling to complete this Contract by reason of the existence of any charge or other notation on the title to the property and the vendor will be entitled to serve a notice to complete on the purchaser notwithstanding that, at the time such notice is served or at any time thereafter, there is a charge or other notation on the title to the property.
- (b) If settlement does not take place on an Electronic Lodgment Network, on completion, the purchaser must accept a discharge, withdrawal or release (as the case may be) in registrable form of any mortgage, charge or other notation on the title to the property which is to be discharged, withdrawn or released (as the case may be) with effect from completion of this Contract.

43 No merger

Notwithstanding completion of this Contract and despite the registration of the transfer at Land Registry Services, any clause to which effect is not given or perfected by such completion or registration and which is capable of taking effect after completion or registration does not merge in the Transfer on completion but will remain in full force and effect.

44 Alterations to Contract

The vendor and the purchaser each authorise their lawyer (or any employee of that lawyer) to make alterations to this Contract (including the addition of annexures) at any time after this Contract has been signed by the party and up until the date of this Contract. Any such alterations or additions will be binding upon the relevant party as if the alteration or addition was made prior to the Contract being signed by that party.

45 Requisitions

The purchaser acknowledges and agrees that, for the purposes of clause 5, the purchaser will be deemed, on the date of this Contract, to have served on the vendor the requisitions in the form annexed to this Contract. 46 Survey

The vendor is not in possession of a Survey Report of the property and the purchaser will make no objection, requisition or claim for compensation nor rescind or terminate this Contract if there are any encroachments by, or upon the Property, or if there is any contravention of any applicable regulations or requirements.

- (b) The vendor and purchaser agree that if the depositholder is the vendor's solicitor, then the provisions of this Clause will not apply and the deposit will be held in the trust account of the vendor's solicitor between the date of this Contract and completion.

48 Release of deposit

- (a) Notwithstanding any provision of this Contract, the deposit, or such part as is required, may be released to the vendor for use by the vendor in the purchase of other real estate or for the payment of duty on any such purchase. By entering into this Contract, the purchaser shall be deemed to have authorised the depositholder to release the deposit, or part thereof, to the vendor's solicitors for such purpose and the agent shall be authorised to act accordingly upon being given a copy of this Clause and without further authority from the purchaser.
- (b) Notwithstanding any provision of this Contract, the deposit (or such part of the deposit as may be required) together with the vendor's share of any interest earned, may be released by the depositholder to the vendor's lawyer in the week immediately prior the date for completion so that those funds can be included in the PEXA workspace if required by the vendor. By entering into this Contract, the purchaser is deemed to have authorised the depositholder to release the deposit as referred to in this clause and the depositholder is authorised to act accordingly upon being given a copy of this clause and without further authority from the purchaser.

- (1) This clause applies to that part of Lot 3, DP 1218887, Appin Road, Gilead that is in Zone RU2 Rural Landscape.
- (2) Despite clause 4.1, development consent may be granted to the subdivision of land to which this clause applies to create lots with a size less than the minimum lot size shown on the Lot Size Map in relation to the land if the consent authority is satisfied that the subdivision is for the purpose of facilitating the development of land that is—
- (a) in Zone R2 Low Density Residential, and
 - (b) identified as "Mount Gilead Urban Release Area" on the Urban Release Area Map.

4.1F Exception to minimum lot sizes for certain land in Glenfield

- (1) This clause applies to that part of Lot 91, DP 1155962 that is in Zone RU2 Rural Landscape.

**PLANNING CERTIFICATE UNDER SECTION 10.7
ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979**

- (2) Despite clause 4.1, development consent may be granted to the subdivision of land to which this clause applies to create lots with a size less than the minimum lot size shown on the Lot Size Map in relation to the land.
- (3) A dwelling cannot be erected on a lot created under this clause.

4.1G Exception to minimum subdivision lot sizes for certain residential development in Maryfields Urban Release Area

- (1) The objective of this clause is to provide flexibility in the application of lot size standards for residential development on larger sized lots on land in Zone R3 Medium Density Residential in the Maryfields Urban Release Area.
- (2) This clause applies to land in Zone R3 Medium Density Residential and identified as "Maryfields Urban Release Area" on the Urban Release Area Map.
- (3) Despite clause 4.1, development consent may be granted for the subdivision of land to which this clause applies on which is lawfully erected a type of residential accommodation if—
 - (a) the size of each lot to be subdivided is at least 1800 square metres, and
 - (b) each lot resulting from the subdivision will be at least 225 square metres and will have an erected single dwelling, and
 - (c) each lot resulting from the subdivision will have a single dwelling that is in existence and for which an occupation certificate was issued before the consent was granted.

4.2 Rural subdivision

- (1) The objective of this clause is to provide flexibility in the application of standards for subdivision in rural zones to allow land owners a greater chance to achieve the objectives for development in the relevant zone.
- (2) This clause applies to the following rural zones—
 - (a) Zone RU1 Primary Production,
 - (b) Zone RU2 Rural Landscape,
 - (baa) Zone RU3 Forestry,
 - (c) Zone RU4 Primary Production Small Lots,
 - (d) Zone RU6 Transition.

Note—

When this Plan was made it did not include all of these zones.

- (3) Land in a zone to which this clause applies may, with development consent, be subdivided for the purpose of primary production to create a lot of a size that is less than the minimum size shown on the Lot Size Map in relation to that land.
- (4) However, such a lot cannot be created if an existing dwelling would, as the result of the subdivision, be situated on the lot.
- (5) A dwelling cannot be erected on such a lot.

Note—

A dwelling includes a rural worker's dwelling (see definition of that term in the Dictionary).

4.2A Erection of dwelling houses or dual occupancies (attached) on land in certain rural and environment protection zones

- (1) The objectives of this clause are as follows—
 - (a) to enable the replacement of lawfully erected dwelling houses and dual occupancies (attached), and the realisation of dwelling entitlements in rural and environment protection zones,
 - (b) to restrict the extent of residential development in rural and environment protection zones to maintain the existing character,

**PLANNING CERTIFICATE UNDER SECTION 10.7
ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979**

(c) to recognise the contribution that development density in these zones makes to the landscape and environmental character of those places.

(2) This clause applies to land in the following zones—

- (a) Zone RU2 Rural Landscape,
- (b) Zone E3 Environmental Management,
- (c) Zone E4 Environmental Living.

(3) Development consent must not be granted for the erection of a dwelling house or a dual occupancy (attached) on land to which this clause applies unless the land—

- (a) is a lot that has at least the minimum lot size shown on the Lot Size Map in relation to that land, or
- (b) is a lot created under this Plan (other than clause 4.2(3)), or
- (c) is a lot created under an environmental planning instrument before this Plan commenced and on which the erection of a dwelling house or a dual occupancy (attached) was permissible immediately before that commencement, or
- (d) is a lot resulting from a subdivision for which development consent (or its equivalent) was granted before this Plan commenced and on which the erection of a dwelling house or a dual occupancy (attached) would have been permissible if the plan of subdivision had been registered before that commencement, or
- (e) is an existing holding, or
- (f) would have been a lot or holding referred to in paragraph (a), (b), (c), (d) or (e) had it not been affected by—
 - (i) a minor realignment of its boundaries that did not create an additional lot, or
 - (ii) a subdivision creating or widening a public road or public reserve or for another public purpose, or
 - (iii) a consolidation with an adjoining public road or public reserve or for another public purpose.

Note—

A dwelling cannot be erected on a lot created under clause 9 of *State Environmental Planning Policy (Rural Lands) 2008* or clause 4.2.

(4) Development consent must not be granted under subclause (3) unless—

- (a) no dwelling house or dual occupancy (attached) has been erected on the land, and
- (b) if a development application has been made for development for the purposes of a dwelling house or dual occupancy (attached) on the land—the application has been refused or it was withdrawn before it was determined, and
- (c) if development consent has been granted in relation to such an application—the consent has been surrendered or it has lapsed.

(5) Development consent may be granted for the erection of a dwelling house or a dual occupancy (attached) on land to which this clause applies if there is a lawfully erected dwelling house or dual occupancy (attached) on the land and the dwelling house or dual occupancy (attached) proposed to be erected is intended only to replace the existing dwelling house or dual occupancy (attached).

(6) Development consent may be granted to convert a dwelling house into, or to replace a dwelling house with, a dual occupancy (attached) on land to which this clause applies if no dual occupancy (attached) exists on the land and the dual occupancy (attached) is designed and will be constructed to have the appearance of a single dwelling.

(7) In this clause—

existing holding means land that—

- (a) was a holding on the relevant date, and
- (b) is a holding at the time the application for development consent referred to in subclause (3) is lodged,

**PLANNING CERTIFICATE UNDER SECTION 10.7
ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979**

whether or not there has been a change in the ownership of the holding since the relevant date, and includes any other land adjoining that land acquired by the owner since the relevant date.

holding means all adjoining land, even if separated by a road or railway, held by the same person or persons.

relevant date means—

- (a) in the case of land to which *Campbelltown (Urban Area) Local Environmental Plan 2002* applied immediately before the commencement of this Plan—
 - (i) for land identified as “25 February 1977” on the Former LEP and IDO Boundaries Map—25 February 1977, or
 - (ii) for land identified as “15 July 1977” on the Former LEP and IDO Boundaries Map—15 July 1977, or
 - (iii) for land identified as “3 November 1978” on the Former LEP and IDO Boundaries Map—3 November 1978, or
- (b) in the case of land to which *Campbelltown Local Environmental Plan—District 8 (Central Hills Lands)* applied immediately before the commencement of this Plan—20 September 1974, or
- (c) in the case of land to which *Campbelltown Local Environmental Plan No 1* applied immediately before the commencement of this Plan—26 June 1981, or
- (d) in the case of land to which *Interim Development Order No 13—City of Campbelltown* applied immediately before the commencement of this Plan—20 September 1974, or
- (e) in the case of land to which *Interim Development Order No 15—City of Campbelltown* applied immediately before the commencement of this Plan—27 September 1974, or
- (f) in the case of land to which *Interim Development Order No 28—City of Campbelltown* applied immediately before the commencement of this Plan—3 November 1978.

Note—

The owner in whose ownership all the land is at the time the application is lodged need not be the same person as the owner in whose ownership all the land was on the stated date.

4.2B Erection of rural workers’ dwellings on land in Zones RU2 and E3

- (1) The objectives of this clause are as follows—
 - (a) to facilitate, on the same land, the provision of adequate accommodation for employees involved in existing agricultural activities, including agricultural produce industries,
 - (b) to maintain the non-urban landscape and development characters of certain rural and environment protection zones.
- (2) This clause applies to land in the following zones—
 - (a) Zone RU2 Rural Landscape,
 - (b) Zone E3 Environmental Management.
- (3) Development consent must not be granted for the erection of a rural worker’s dwelling on land to which this clause applies unless the consent authority is satisfied that—
 - (a) the development will be on the same lot as an existing lawfully erected dwelling house or dual occupancy (attached), and
 - (b) the development will not impair the use of the land for agricultural activities, including agricultural produce industries, and
 - (c) the agricultural activity or agricultural produce industry has an economic capacity to support the ongoing employment of rural workers, and
 - (d) the development is necessary considering the nature of the existing or proposed agricultural activity or agricultural produce industry occurring on the land or as a result of the remote or isolated location of the land, and

- (e) there will be not more than one rural worker's dwelling on the lot, and
- (f) the development will be a single storey building with a maximum floor area of 120 square metres or not more than 20% of the floor area of any existing dwelling house on that land, whichever is greater.

4.2C Exceptions to minimum subdivision lot sizes for certain land in Zones RU2 and E3

- (1) The objective of this clause is to allow the owners of certain land to which the following environmental planning instruments applied to excise a home-site area from an existing lot (or existing holding) by the means of a subdivision—
 - (a) *Campbelltown Local Environmental Plan No 1*,
 - (b) *Interim Development Order No 15—City of Campbelltown*.
- (2) Subclause (3) applies to each lot to which *Campbelltown Local Environmental Plan No 1* applied immediately before its repeal that—
 - (a) was in existence on 26 June 1981, and
 - (b) is in Zone E3 Environmental Management, and
 - (c) has an area of at least 10 hectares.
- (3) Development consent must not be granted to the subdivision of the land to which this subclause applies unless the proposed subdivision will result in the creation of only 2 lots, each of which must have an area of at least 2 hectares.
- (4) Subclause (5) applies to each lot to which *Interim Development Order No 15—City of Campbelltown* applied immediately before its repeal that—
 - (a) was in existence on 18 July 1973, and
 - (b) is in Zone RU2 Rural Landscape.
- (5) Development consent must not be granted to the subdivision of the land to which this subclause applies unless the smallest lot to be created has an area of at least 2 hectares and is required for the erection of a dwelling house for occupation by—
 - (a) the person who owned the land on 18 July 1973, or
 - (b) a relative of that owner, or
 - (c) a person employed or engaged by that owner in the use of land of the owner adjoining or adjacent to that lot for the purpose of agriculture.
- (6) The total number of lots that may be created by the subdivision of land to which subclause (5) applies, whether by one or more subdivisions, must not exceed—
 - (a) if the land to be subdivided had an area of less than 10 hectares—nil, or
 - (b) if the land to be subdivided had an area of at least 10 hectares but less than 40 hectares—1, or
 - (c) if the land to be subdivided had an area of at least 40 hectares but less than 80 hectares—2, or
 - (d) if the land to be subdivided had an area of at least 80 hectares—3.

4.2D Exceptions to minimum subdivision lot sizes for certain land in Zone E4

- (1) The objective of this clause is to permit the subdivision of certain land in the East Edge Scenic Protection Lands Area to create lots of a size that are less than the minimum lot size shown on the Lot Size Map in relation to that land.
- (2) This clause applies to land identified as "1 ha" on the Lot Averaging Map.
- (3) Despite clause 4.1, development consent may be granted to the subdivision of land to which this clause applies if the subdivision will not create a number of lots that is more than the number resulting from multiplying the total

**PLANNING CERTIFICATE UNDER SECTION 10.7
ENVIRONMENTAL PLANNING AND ASSESSMENT ACT 1979**

area of the land being subdivided by the maximum density control number specified on the Lot Averaging Map in relation to that land.

- (4) Development consent must not be granted under this clause unless the consent authority is satisfied that—
- (a) the pattern of lots created by the subdivision, the provision of access and services and the location of any future buildings on the land will not have a significant detrimental impact on native vegetation, and
 - (b) each lot to be created by the subdivision contains a suitable land area for—
 - (i) a dwelling house, and
 - (ii) an appropriate asset protection zone relating to bush fire hazard, and
 - (iii) if reticulated sewerage is not available to the lot—on-site sewage treatment, management and disposal, and
 - (iv) other services related to the use of the land for residential occupation, and
 - (c) if reticulated sewerage is not available to the lot—a geotechnical assessment demonstrates to the consent authority's satisfaction that the lot can suitably accommodate the on-site treatment, management and disposal of effluent, and
 - (d) adequate arrangements are in place for the provision of infrastructure to service the needs of development in the locality.

4.2E Subdivision of land in Zone E3

- (1) The objective of this clause is to provide flexibility in the application of standards for the subdivision of certain land to allow land owners a greater chance to achieve the objectives for development in the relevant zone.
- (2) Land in Zone E3 Environmental Management may, with development consent, be subdivided for the purpose of primary production to create a lot of a size that is less than the minimum size shown on the Lot Size Map in relation to that land.
- (3) However, such a lot cannot be created if an existing dwelling would, as the result of the subdivision, be situated on the lot.
- (4) A dwelling cannot be erected on a lot created under this clause.

IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. **EXCEPT** in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group Australian Taxation Office Council County Council Department of Planning, Industry and Environment Department of Primary Industries Electricity and gas Land & Housing Corporation Local Land Services	NSW Department of Education NSW Fair Trading Owner of adjoining land Privacy Public Works Advisory Subsidence Advisory NSW Telecommunications Transport for NSW Water, sewerage or drainage authority
---	--

If you think that any of these matters affects the property, tell your solicitor.
2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay transfer duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

2 Deposit and other payments before completion

- 2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.
- 2.2 *Normally*, the purchaser must pay the deposit on the making of this contract, and this time is essential.
- 2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.
- 2.4 The purchaser can pay any of the deposit by giving cash (up to \$2,000) or by unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder* or by payment by electronic funds transfer to the *depositholder*.
- 2.5 If any of the deposit is not paid on time or a *cheque* for any of the deposit is not honoured on presentation, the vendor can *terminate*. This right to *terminate* is lost as soon as the deposit is paid in full.
- 2.6 If the vendor accepts a bond or guarantee for the deposit, clauses 2.1 to 2.5 do not apply.

BREACH OF COPYRIGHT MAY RESULT IN LEGAL ACTION

- 2.7 If the vendor accepts a bond or guarantee for part of the deposit, clauses 2.1 to 2.5 apply only to the balance.
- 2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.
- 2.9 If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

- 3.2 The purchaser must provide the original *deposit-bond* to the vendor's *solicitor* (or if no *solicitor* the *depositholder*) at or before the making of this contract and this time is essential.
- 3.3 If the *deposit-bond* has an expiry date and completion does not occur by the date which is 14 days before the expiry date, the purchaser must *serve* a replacement *deposit-bond* at least 7 days before the expiry date. The time for service is essential.
- 3.4 The vendor must approve a replacement *deposit-bond* if –
 - 3.4.1 it is from the same issuer and for the same amount as the earlier *deposit-bond*; and
 - 3.4.2 it has an expiry date at least three months after its date of issue.
- 3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to *terminate*. The right to *terminate* is lost as soon as –
 - 3.5.1 the purchaser *serves* a replacement *deposit-bond*; or
 - 3.5.2 the deposit is paid in full under clause 2.
- 3.6 Clauses 3.3 and 3.4 can operate more than once.
- 3.7 If the purchaser *serves* a replacement *deposit-bond*, the vendor must *serve* the earlier *deposit-bond*.
- 3.8 The amount of any *deposit-bond* does not form part of the price for the purposes of clause 16.7.
- 3.9 The vendor must give the purchaser the *deposit-bond* –
 - 3.9.1 on completion; or
 - 3.9.2 if this contract is *rescinded*.
- 3.10 If this contract is *terminated* by the vendor –
 - 3.10.1 *normally*, the vendor can immediately demand payment from the issuer of the *deposit-bond*; or

- 3.11 If this contract is *terminated* by the purchaser –
 - 3.11.1 *normally*, the vendor must give the purchaser the *deposit-bond*; or

- 4.2 If any information needed for the form of transfer is not disclosed in this contract, the vendor must *serve* it.
- 4.3 If the purchaser *serves* a form of transfer and the transferee is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for this form of transfer.
- 4.4 The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this contract contains the wording of the proposed covenant or easement, and a description of the land benefited.

5 Requisitions

- 5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.
- 5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it –
 - 5.2.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;

- 6.1 *Normally*, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).
- 6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

 - 7.1.1 the total amount claimed exceeds 5% of the price;
 - 7.1.2 the vendor *serves* notice of intention to *rescind*; and
 - 7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and
- 7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –
 - 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
 - 7.2.2 the amount held is to be invested in accordance with clause 2.9;
 - 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
 - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
 - 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held is paid; and
 - 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

- 8.1 The vendor can *rescind* if –
 - 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
 - 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and
 - 8.1.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.
- 8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination* –
 - 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can –

- 9.1 keep or recover the deposit (to a maximum of 10% of the price);

- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage, priority notice or writ).

- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –

- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7) –
 - 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
 - 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
 - 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
 - 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
 - 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
 - 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
 - if *within* 3 months of completion the purchaser serves a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but

- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
 - 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
 - 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
 - a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;

 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.
