

## AFTER HOURS & OFFICE CLOSURE CONTACT INFORMATION

For Life Threatening & Dangerous Situations, dial 000

Police/ Water Police	131 444
Fire	133 337
Ambulance	9334 1222
Western Power Emergencies	131 351
Water Corporation Emergencies	131 375

The Department of Fire and Emergency Services are also available on 132 500. They can assist with:

- Assisting with significant structural damage like collapsed roofs or ceilings
- Making temporary emergency repairs to homes and buildings
- Removing fallen trees that have damaged homes and cars
- Sandbagging areas in danger of flooding
- Pumping out flood water
- Rescuing trapped or injured people, and helping people relocate if they are in danger

If your emergency is likely to be an insurance claim, contact the insurer. They may also assist in sending relevant after-hours trades. Always take action to make safe and mitigate further loss in an insurable event. **For break-ins, obtain a police report as it is required for insurance claims.**

If you need our assistance, please phone 0479 095 889 and leave a message with as much information as possible.
