TV Connections

Each apartment is fitted with TV connection points in the living room and bedrooms. Each connection point is compatible with both free-to-air and Pay TV. The connection subscription to the pay TV is at the occupants cost and arrangement. Please refer to the user manual for further information.

Phone & Data Connections

Each apartment is fitted with an NBN Co. fibre optic network termination device (NTD). This is located in the bedroom wardrobe. Please refer to the user manual for further information.

Garbage Disposal

Garbage chutes are located near the lift lobbies on each floor. Please refer to the user manual for further information.

Storage Cage

If your apartment comes with a storage cage, it will be located in Basement 1. Please refer to the user manual for further information.

Bike Racks

Bicycle storage racks are located on Basement Level 1 Upper. Please refer to the user manual for further information.

Pool, Sauna, Gym and Change rooms

Common facilities on ground floor include the courtyard garden, gym, sauna and change rooms.

Common facilities on Level 6 include a BBQ, pool, spa and resident's leisure/ seating areas. Please refer to the user manual for further information/ rules and regulations.

Manuals

Please refer to your starter pack for all appliance manuals – this pack is to remain at the property upon your vacate.
