A place where
homeless kids belong

Fundraising

Every year, our amazing supporters hold their own fundraising events to make our life-changing work possible. You can too.

You can join our team of supporters by running a 5km race, choosing a marathon, a trek up a mountain, getting muddy or cycling country lanes. You can bake, host a dinner party or sing a carol. Whatever you do, your support will be helping to change the lives of some of Australia's most vulnerable children.

Whether you are fundraising as a group at your school or workplace, or simply want to see how you can get involved, we have ideas and resources to support you. Each year our supporters raise thousands of dollars through fundraising events, which makes a huge difference to the children and young people in our care.

Your donation makes a difference

However large or small your idea is, it's worth doing because every donation makes a difference.

Can provide a warm, family meal for a Lighthouse home

Can provide bedding and furniture for a new young person moving in to our care

Can provide counselling and group therapy to help our young people process the trauma of homelessness

How do I get started?

We love to know what fundraising events are happening, so please get in touch with us by emailing fundraising@lighthousefoundation.org.au to let us know what you are planning.

My colleagues and I loved fundraising for Lighthouse. We were so pleased handing our cheque over knowing that our donation would have a real impact- Tammy
